

BAY Shul Yizkor Booklet 5776

The age-old custom of remembering the souls of the departed and contributing to charity in their memory is embedded in the fundamental Jewish belief in the eternity of the soul. When a person passes on to the next world, the soul can no longer do good deeds to attain merit. When we recite Yizkor and give charity in their honor, we reopen the book of deeds and bring merit and elevation to our loved ones. This year we will compile a list of those who are to be remembered within our community and will create a Yizkor Booklet in their honor.
